

Outdoor Wedding Rentals

We'd like to start by congratulating you on your upcoming nuptials and want to thank you for considering VanDusen Botanical Garden as your wedding venue. We offer three beautiful outdoor wedding locations to choose from. Please read through the options available to determine which space would best suit your needs. Additional Outdoor Booking Information

It is a 4-hour rental for ceremonies. All rentals must be in and out of the site within that time frame. If you require additional time, you will need to inform the facility rentals staff, and additional security and liaison charges will apply. Wedding Party and guests may remain on the site after the ceremony to enjoy the garden (during garden hours). Please note that **the use of drones is not permitted in the Garden**. Please let your photographer or videographer know when you are booking with them.

A **Reservation Deposit** of \$500 is required upon booking for all wedding ceremonies, or \$1,000 deposit for all outdoor receptions. The renter will also obtain **liability insurance** for rental of indoor or outdoor venues to indemnify and save harmless the City of Vancouver, as represented by its Board of Parks & Recreation any claims or charges arising from the renter's use of the facility. A \$10 **SOCAN fee** is charged if music is played.

Wedding Rehearsals

With every wedding booking, you may schedule a rehearsal at no additional charge. Please note: We cannot guarantee the date since we may get a booking for your rehearsal location. We will give as much advance notice as possible in the event that the rehearsal needs to be re-scheduled. We recommend choosing a weekday evening since there is less chance that the outdoor locations will be booked.
